

Privacy Policy

Last Revised: October 1, 2020

At Accelerated Business Consulting, your privacy is important to us, and so is being transparent about how we collect, use and share information about you. We collect and use personal data only as it might be needed for us to deliver to you our services (“Services”). Your personal data includes information such as:

Name

Address

Telephone number

Email address

Other data collected that could directly or indirectly identify you.

Our Privacy Policy provides you with details about how and what data we collect, and how and why we use your personal data. It also describes options we provide for you to access, update or otherwise take control of your personal data that we process.

If at any time you have questions about our Privacy Policy or any of your rights described below, you may contact us at acceleratedmegan@gmail.com.

This policy is intended to help you understand:

What information we collect about you

How we use the information we collect

How we share information we collect

How we secure, store and retain your data

How you can access, update or delete your data

How we transfer information we collect internationally

What information we collect about you

We collect information so that we can provide the best possible experience when you use our Services. Personal data is collected directly from you when you: (1) create an account or purchase any of our Services (e.g., billing information, including name, address, credit card number; (2) request assistance from our customer support team (e.g., phone number); or (3) complete contact forms or request other information from us (e.g., email). We also collect additional information when delivering our Services to you to ensure necessary and optimal performance. These methods of collection may not be as obvious to you, so we wanted to highlight and explain what these might be (as they vary from time to time), and how they work:

Account and profile information: We collect information in association with your use of our Services, such as standard information relating to your payments to us, when your contract renews or expires, your information requests, and any customer service requests and notes or details explaining what you asked for and how we responded.

Data about usage of services: This is automatically collected when you use and interact with our Services, including metadata, log files, cookie/device IDs and location information. This information includes specific data about your interactions with the features, content and links (including those of third-parties, such as social media plugins) contained within the Services, Internet Protocol (IP) address, browser type and settings, the date and time the Services were used, information about browser configuration and plugins, language preferences and cookie data, information about devices accessing the Services, including type of device, what operating system is used, device settings, application IDs, unique device identifiers and error data, and some of this data collected might be capable of and be used to approximate your location.

Information we receive from other sources: We may receive data about you from other sources, including publicly available databases or third parties from whom we have purchased data, in which case we may combine this data with information we already have about you so that we can update, expand and analyze the accuracy of our records, identify new customers, and provide products and services that may be of interest to you. If you provide us personal information about others, or if others give us your information, we will only use that information for the specific reason for which it was provided to us.

Cookies: We do use cookies, but we do not tie the cookies to any personal information that you provide to us. You can set your browser to refuse all or some browser cookies, or to alert you when websites set or access cookies. If you disable or refuse cookies, please note that some parts of our service may become inaccessible or not function properly. For additional information, please visit our Cookie Policy [coming soon].

Website analytics: We use web analytics tools provided by service partners such as Google Analytics to collect information about how you interact with our website or mobile applications, including what pages you visit, what site you visited prior to visiting our website, how much time you spend on each page, what operating system and web browser you use and network and IP information. We use the information provided by these tools to improve our Services. These tools place persistent cookies in your browser to identify you as a unique user the next time you visit our website. Each cookie cannot be used by anyone other than the service provider (ex: Google for Google Analytics). The information collected from the cookie may be transmitted to and stored by these service partners on servers in a country other than the country in which you reside. Though information collected does not include personal data such as name, address, billing information, etc., the information collected is used and shared by these service providers in accordance with their individual privacy policies.

How we use the information we collect

Our policy is to minimize the data we collect and limit its use and purpose to only that (1) for which we have been given permission, (2) as necessary to deliver the Services you purchase or

interact with, or (3) as we might be required or permitted for legal compliance or other lawful purposes. These uses include:

To provide the services and to personalize your experience

We collect various information relating to your purchase, use and/or interactions with our Services. We utilize this information to:

Improve and optimize the user experience, operation and performance of our Services;
Diagnose problems with and identify any security risks, errors, or needed upgrades to the Services; Detect and prevent fraud and abuse of our Services and systems;
Collect aggregate statistics about use of the Services

Our Services also include tailored features that personalize your experience, enhance your productivity, and improve your ability to collaborate effectively with others. In most cases, statistical data about how individuals use our Services is not linked to any personal data. To the extent it comprises personal data, or is linked or linkable to personal data, we treat it accordingly.

To communicate with you about our services

We may contact you directly or through a third party service provider regarding our Services in order to deliver transactional or service related communications. We may also contact you with offers for additional services we think you'll find valuable where allowed based upon legitimate interests or otherwise with your consent. You don't need to provide consent as a condition to purchase our goods or services. These contacts may include:

Email
Text (SMS) messages
Telephone calls

For research and development

We are always looking for ways to make our offerings better, faster and stronger. We use collective learnings about how people use our Services to identify trends and usage patterns. We also test and roll out new features to a limited number of users before all customers receive the enhancements.

Targeted Ads

Targeted ads or interest-based offers may be presented to you based on your activities on our webpages, and other websites, and based on the services or memberships to which you currently subscribe. We also partner with third parties to manage our advertising on our webpages and other websites. Our third party partners may use technologies such as cookies to gather information about such activities in order to provide you with advertising based upon your browsing activities and interests, and to measure advertising effectiveness.

How we share information we collect

Except as described below, we do not share any of your personal data with third parties.

We only share your personal data as necessary for any third party to provide the services as requested or as needed on our behalf. These third parties (and any subcontractors) are subject to strict data processing terms and conditions and are prohibited from utilizing, sharing or retaining your personal data for any purpose other than as they have been specifically contracted for (or without your consent).

Compliance with legal, regulatory and law enforcement requests. We cooperate with government and law enforcement officials and private parties to enforce and comply with the law. We will disclose any information about you to government or law enforcement officials or private parties as we, in our sole discretion, believe necessary or appropriate to respond to claims and legal process (such as subpoena requests), to protect our property and rights or the property and rights of a third party, to protect the safety of the public or any person, or to prevent or stop activity we consider to be illegal or unethical.

To the extent we are legally permitted to do so, we will take reasonable steps to notify you in the event that we are required to provide your personal information to third parties as part of legal process.

How we secure, store and retain your data

We have put in place security measures to prevent your personal data from being accidentally lost, used, altered, disclosed, or accessed without authorization. We also allow access to your personal data only to those employees and partners who have a business need to know such data. They will only process your personal data on our instructions and they must keep it confidential.

We have procedures in place to deal with any suspected personal data breach and will notify you and any applicable regulator of a breach if we are legally required to.

We retain personal data only for as long as necessary to provide the Services you have requested and thereafter for a variety of legitimate legal or business purposes. These might include retention periods:

mandated by law, contract or similar obligations applicable to our business operations; for preserving, resolving, defending or enforcing our legal/contractual rights; or needed to maintain adequate and accurate business and financial records.

You can help maintain the security of your personal data by keeping your passwords and account information private. Remember, you, not Accelerated Business Consulting, is responsible for ensuring that no unauthorized person has access to your password or account information. In addition, you need to implement appropriate security measures for the third party data you store when you use our Services (see below).

Your customers' personal data

You use our Services to store, transmit and process data regarding your customers. It is you, not Accelerated Business Consulting who decides the reasons why such data is collected, how it is collected, and how it is to be used. Accelerated Business Consulting does not review, share, distribute, or reference any such data except as directed by you and in accordance with your agreement with Accelerated Business Consulting, or as may be required by applicable law. Nothing in this Privacy Policy in anyway amends the terms and conditions applicable to your use of the Services.

You are solely responsible for the personal data that you collect and process using our Services and for compliance with applicable data protection laws. Our responsibility is to comply with the terms of our agreement with you. You are responsible for maintaining the security and confidentiality of your accounts and access to our Services.

We provide our Services under your direction. We have no direct relationship with the individuals whose personal data you process using our Services. If any of your customers or clients contact Accelerated Business Consulting with concerns regarding their personal data, they will be directed to contact you.

By signing up to use our Services, you have agreed that the personal data of your customers may be transferred by us to third parties who help to provide our Services. Any such transfers are made in accordance with the terms of the agreements between us.

How you can access, update or delete your data.

It is very important that the information we hold about you is accurate and up to date. To easily access, view, update, delete or port your personal data (where available), please sign into the members section of the website and visit "Account Settings". You can also email us at any time if your personal information changes acceleratedmegan@gmail.com

If you make a request to delete your personal data and that data is necessary for the Services you have purchased, the request will be honored only to the extent it is no longer necessary for any Services purchased or required for our legitimate business purposes or legal or contractual record keeping requirements.

If you are unable for any reason, to access your Account Settings or our Privacy Center, you may also contact us by one of the methods described in the "Contact Us" section below.

How we transfer information we collect internationally

Transfer of personal data abroad

If you utilize our Services from a country other than the country where our servers are located, your communications with us may result in transferring your personal data across international borders. Also, when you call us or initiate a chat, we may provide you with support from a location outside your country of origin. In these cases, your personal data is handled according to this Privacy Policy.

Disclosures of your personal data

We may have to share your personal data with the parties set out below:

Service providers who provide IT and system administration services.

Government bodies that require us to report data activities.

Third parties to whom we may sell, transfer, or merge parts of our business or our assets.

We require all third parties to whom we transfer your data to respect the security of your personal data and to treat it in accordance with the law. We only allow such third parties to process your personal data for specified purposes and in accordance with our instructions.

International

Countries outside of the European Economic Area (EEA) do not always offer the same levels of protection to your personal data, so European law has prohibited transfers of personal data outside of the EEA unless the transfer meets certain criteria.

Many of our third parties service providers are based outside the European Economic Area (EEA) so their processing of your personal data will involve a transfer of data outside the EEA.

Whenever we transfer your personal data out of the EEA, we do our best to ensure a similar degree of security of data by ensuring at least one of the following safeguards is in place:

We will only transfer your personal data to countries that the European Commission have approved as providing an adequate level of protection for personal data by; or

Where we use certain service providers, we may use specific contracts or codes of conduct or certification mechanisms approved by the European Commission which give personal data the same protection it has in Europe; or

If we use US-based providers that are part of EU-US Privacy Shield, we may transfer data to them, as they have equivalent safeguards in place.

EU General Data Protection Regulation (GDPR) compliance

Customers of Accelerated Business Consulting who are located in the European Economic Area (EEA), and customers of Accelerated Business Consulting no matter where located, who process personal data of EEA residents should note the following:

This Privacy Policy is designed to comply with the GDPR;

Accelerated Business Consulting is only a Data Processor, not a Data Collector; and

Accelerated Business Consulting does not have an “establishment” in the EEA.
